Spread a bit of loving around,  
'Cos there's nothing like the friends you have found.  
Through thick and thin your friends will bring,  
A love we all can share.  
Friends can brighten up your day.  
Through good and bad they'll always stay.  
A friend in need, a friend indeed.  
A friend through all the years.  
Anytime, anywhere,  
When you need a friend then I'll be there ... oh,  
Anytime, anywhere, 'cos we're friends.  
Anytime, anywhere,  
When you need a friend then I'll be there ... oh,  
Anytime, anywhere, 'cos we're friends.  
Bring a little love to my heart,  
'Cos friends are never far apart,  
And I can say that you will stay,  
My friend for ever more.  
Friends for ever and ever and ever.  
Friends for ever and ever more.  
Anytime, anywhere,  
When you need a friend then I'll be there ... oh,  
Anytime, anywhere, 'cos we're friends.  
Anytime, anywhere,  
When you need a friend then I'll be there ... oh,  
Anytime, anywhere, 'cos we're friends.  
Ooh, ooh ooh ohh,  
'Cos we're friends,  
Ooh, ooh ooh ooh,  
'Cos we're friends,  
Ooh, ooh ooh ooh,  
'Cos we're friends,  
Ooh, ooh ooh ooh.
