

Hi5 "Give It Go"

Visit "[Give It Go](#)" on MotoLyrics.com

We can build something
From nothing at all
To make a big idea
Something that starts out small
It might be a story, a painting or a song
Maybe it's a brand new way to move along

So come on, come on
Give it all you've got
Take it to the top
Give it your best shot

Let's put our heads together
We'll find a great idea
Bounce it up, toss it round
Try looking at it
Upside down
Bend it, shake it
Soon you will know
Something new and wonderful
Will grow-oh-oh-oh-oh!
(let's give it a go)

We can create something
From nothing at all
To find a big idea
We can start out small
It might be a poem, an invention or a dance
An amazing scientific technological advance

So some on, come on
Give it all you've got
Take it to the top
Give it your best shot

Let's put out heads together
We'll find a great idea
Bounce it up, toss it round
Try looking at it
Upside down
Bend it, shake it
Soon you will know

Something new and wonderful
Will grow-oh-oh-oh-oh!
(let's give it a go)

So many kinds of new ideas
Floating round your mind Â...
Let's put out heads together
We'll find a great idea
Bounce it up, toss it round
Try looking at it
Upside down
Bend it, shake it
Soon you will know
Something new and wonderful
Will grow-oh-oh-oh-oh!
(let's give it a go)
