Are you ready?
'Cos we're going out
Gonna climb a tree
Before the day is out

Gonna run and jump
And shout with glee
We're gonna buzz, buzz, buzz,
Like a busy bee

Are you ready?
(Are you ready?)
'Cos we're going out(do,do,do,do,do,do)
'Cos we're going out(do,do,do,do,do,do)

There's more to do
when we go out
Gonna pitch a tent
And go walkabout

Run down the track
And kick up our heels
Listen to the singing
Of the birds in the trees

Are you ready?
(Are you ready?)
'Cos we're going out(do,do,do,do,do,do)
'Cos we're going out(do,do,do,do,do,do)

Open the door, step outside
There's a world to explore
Under the big blue sky
Open the door, step outside
There's a world to explore
You'll never know till you try

Are you ready?
Are you ready?
Are you ready?
Let's Go ...

Check out the beach
It's really "Far out"
Catch a wave
And swim like a trout

Build a sand castle
Feel the summer breeze
Breathe the fresh air
See how good it feels

Are you ready?
(Are you ready?)
'Cos we're going out (Are you ready, are you ready for
some fun)
'Cos we're going out
(Are you ready, are you ready for some fun)
'Cos we're going out
(Are you ready, are you ready for some fun)
'Cos we're going out
(Are you ready, are you ready for some fun)
'Cos we're going out
