Heave ho and away we go.
Heave ho and away we go.
Heave ho and away we go.
Heave ho and away we go.

The treasure map will lead you to a secret cave.
Maybe gold maybe silver,
Remember to be brave.

Was it lost in a shipwreck or stolen in the night,
Or buried for safe keeping,
On an island out of sight?

X marks the spot, what is buried below?

One, two, three steps forward here we go,
In a circle, then backwards and slow.
X marks the spot.
What is buried below?
Forgotten treasure from long long long ago.

One, two, three steps forward here we go,
In a circle, then backwards and slow.
X marks the spot.
What is buried below?
Forgotten treasure from long long long ago.

Heave ho and away we go.
Heave ho and away we go.

Treasure in a chest upon the ocean floor.
The only lasting memory,
Of a time before.

The map says we're close but what will we find?
Diamonds or pearls or
Treasures of another kind.

X marks the spot, what is buried below?

One, two, three steps forward here we go,
In a circle, then backwards and slow.

X marks the spot.
What is buried below?
Forgotten treasure from long long long ago.

One, two, three steps forward here we go,
In a circle, then backwards and slow.
X marks the spot.
What is buried below?
Forgotten treasure from long long long ago.

Heave ho and away we go.
Heave ho and away we go.
Heave ho and away we go.
Heave ho and away we go.

X marks the spot.
