There's a place in my heart  
And it's there just for you  
Inside your heart  
Is where dreams can come true

Put your hand in mine  
Take one step at a time  
There's a place in my heart ... for you

Inside my heart  
There's a place for you  
Always and forever (Always and forever)  
Inside my heart  
There's a place for you  
Always and forever (Always and forever)  
Inside my heart  
Inside my heart

There's a place in our house  
And it's there just for you  
Inside our house  
There's a room with a view

Just knock on the door  
I'll be there for sure  
There's a place in our house ... for you

Inside my heart  
There's a place for you  
Always and forever (Always and forever)  
Inside my heart  
There's a place for you  
Always and forever (Always and forever)

Inside my heart  
Inside my heart  
Inside my mind  
Inside my body, you will find  
Strength and love and happiness  
You'll find a way to be your best  
Be your best

Inside my heart  
There's a place for you  
Always and forever (Always and forever)  
Inside my heart  
There's a place for you  
Always and forever (Always and forever)  
Inside my heart  
Inside my heart
