I can't stand the sound of your yelling.
I can't stand the sound of the crying.
You might do sweet things sometimes,
But you'll always let me down.
You might do just what your told.
Instead of listening to your heart, anywhere you go.
But I can't stand the sound of silence anymore.
Will you come over here to please me?
Cause I can't stand what you don't see.

-CHORUS-

Lonely me in a crowded place.
Wanting to leave when I see your face.
Lonely me everywhere I go.
Anywhere you're there, I feel so low.
You've me frail, so vulnerable.
Now I can't trust love anywhere I go.
If you leave me alone, I'll be hurt.
Even more than I am when you're here.
Everything I've taught you, you never learn.
But still today, you'd never see my tear.

I can't stand the sound of the silence.
I can't stand the sound of your voice.
Still I give you chances, I laugh at all your jokes.
So why can't you at least, do me a favor,
And never let me go?
Cause when you're here, I can't breath,
Imagine what it'll be like once you're gone.

-CHORUS-

Why can't you see what you've done to me?
You've made me weak and I can't believe.
I didn't expect you were like this,
I didn't think this is how it would go.
I gave out chances because I was so naive.
I thought everything was what it seemed.
But now I know you're not who I thought you were.
No, I don't wanna be played.
But I won't quit your game.

-CHORUS-

Lonely me in a crowded place.
Wanting to leave when I see your face.
Lonely me everywhere I go.
You've me frail, so vulnerable.
But when you're here, I can't breath.
Imagine what it'll be like when you're not near.
