North South East and West.
Let's get this party groovin'
North South East and West.
Let's get our bodies movin'
North South East and West.
Let's get ready and go ...
Whoa ...
I could climb a steep volcano.
(Ooh ah, Ooh ah.)
Or journey to the sun (Whoo)
Discover hidden treasures (Ooh).
Our adventure has begun (Yipee)
Come with us and take a trip.
Come with us adventuring
Follow your dreams. Follow your heart.
Follow the journey, make a start
North South East and West.
Let's get this party groovin'
North South East and West.
Let's get our bodies movin'
North South East and West.
Let's get ready and go
Whoa
I could wear my cowboy boots "Howdy, partner".
Kick my heels up high (yee-hah!)
Take off in a big balloon (woah).
And float across the sky (wow)
Come with us and take a trip.
Come with us adventuring
Follow your dreams. Follow your heart.
Follow the journey, make a start
North South East and West.
Let's get this party groovin'
North South East and West.
Let's get our bodies movin'

Let's get ready and go
Whoa
North South East and West.
