O-P-P-O-S-I-T-E

I'm getting up, you're getting down

I'm coming in, you're going out

You are my sunshine when it rains

And when I'm cold you'll make me warm again

Day, night, black, white

You and me together prove that opposites attract

Woah-oh-oh-oh

Swing up high

Woah-oh-oh-oh

Shake down low

Turn around and around and around

And back again 'coz here we go...

I'm boiling hot, you're freezing cold

I'm really shy, you're very bold

And when I'm scared, then you'll be brave

And when you go I'll always want you to stay

Big, small, short, tall

You and me together prove that opposites attract

Woah-oh-oh-oh

Swing up high

Woah-oh-oh-oh

Shake down low

Turn around and around and around

And back again 'coz here we go...

Woah-oh-oh-oh

Swing up high

Woah-oh-oh-oh

Shake down low

Turn around and around and around

And back again 'coz here we go...
