Hide your eyes and count to ten  
Ready or not - I'm gonna find you again.  
Hide your eyes and count to ten,  
Ready or not - I'm gonna find you again,  
And again and again and again.  
I will jump and hide from you.  
I will chase you round and round,  
Skip in time, play peek a boo,  
Ready or not, you're found.  
I will chase you here and there.  
I will chase you everywhere,  
Inside, outside, up and down,  
Catch me if you can...  
Hide your eyes and count to ten,  
Ready or not - I'm gonna find you again.  
Hide your eyes and count to ten,  
Ready or not - I'm gonna find you again,  
And again and again and again.  
Simon says, 'move on the spot'.  
Don't let Simon see you stop.  
Simon says, move faster now.  
If he sees you stop, you're out!  
Hide your eyes and count to ten  
Ready or not - I'm gonna find you again.  
Hide your eyes and count to ten,  
Ready or not - I'm gonna find you again,  
And again and again and again.  
Catch me, catch me  
Catch me if you can  
Catch me, catch me  
Catch me if you can  
Hide your eyes and count to ten  
Ready or not - I'm gonna find you again.  
Hide your eyes and count to ten,  
Ready or not - I'm gonna find you again,  
And again and again and again.  
Catch me if you can  
Find you again,  
And again and again and again
