Robot Number One. Hit the switch and turn me on.
Robot Number One. We're gonna have some fun.
Robot Number One. Hit the switch and turn me on.
Robot Number One. We're gonna have some fun.
Have some fun. (Chorus)

Number one ... Number one.

You're my friend. We can work as one
'Cos you're my robot. Robot Number One
Charge your batteries. Set the dial.
For robot dancing. Robot style ...
Whizzing 'round. Here we go.
Spinning fast. Spinning slow.
Robot dancing. On the floor.
Turn the dial and count to four
1... 2... 3...4... Who cares about the weather?

Chorus

Number one... Number one.

You protect me. You make me feel
Safe and sound. You're as strong as steel.
You teach me things, that I didn't know
With your robot brain. Together we can go ...
Wizzing 'round. Here we go.
Spinning fast. Spinning slow.
Robot dancing. On the floor.
Turn the dial and count to four
1... 2... 3... 4...

Chorus

Number one... Number one.
