I'm in your dreams, I'm in your mind
I'm in your imagination.
I'll be your friend, I'll be your genie,
Your magical creation...

Cover you eyes, whisper my name
Join in my mystical game.
I'll make a wish, believe in me,
You'll never be the same...

Take my hand, close your eyes
Hold my hand and we'll fly, fly, fly...

If you had three wishes, what would they be?
Three wishes, one, two, three!
Three wishes, would you give one to me?
Three wishes, what would they be?

Ooooh...

Feel the magic, feel the power,
I will always be near.
I'm your genie, your best friend,
When you need me I'll be here...

Take my hand, close your eyes
Hold my hand and we'll fly, fly, fly...

If you had three wishes, what would they be?
Three wishes, one, two, three!
Three wishes, would you give one to me?
Three wishes, what would they be?

Oooh...
Three wishes, oooh...
