swimming with the fishes  
follow them to school  
riding on a seahorse  
that would be so cool

diving with the dolphins  
splashing in the waves  
exploring in the corals  
and the pirates caves

underneath the ocean  
theres a world of deep  
blue sea  
down,down,down,down  
down,down,down,down  
down

so come with me  
under the sea  
yeah,we could be  
under the sea  
and we can it under  
water discovery  
so come with me  
under the sea

snorkling on the surface  
slpashing near the shore  
jellyfish and hermit crabs  
waiting to explore  
under neath the ocean  
theres a world of deep  
blue sea  
down,down,down,down  
down,down,down,down  
down

so come with me  
under the sea  
yeah, we can be  
under the sea  
and we could make an

underwater  
discovery  
so come with me  
under the sea

a sailor went to  
sea sea sea  
to see what he could  
see see see

and all that he could see  
see see  
was a bottom of a deep blue sea

so come with me  
under the sea  
yeah, come with me  
under the sea  
and we could make it  
underwater  
discovery  
so come with me  
under the sea  
under the sea

diving with the dolphins  
under the sea  
under the sea  
under the sea  
under the sea  
under the sea  
under the sea  
under the sea  
under the sea  
under the sea
