"A Broken Heart"

She had her dreams.
She had it all.
She was so keen
Until she had to call
Out to her friends
To help her through
The ups and downs
The fact she misses you.

She used to be herself
Before you got in the way
You put her heart on a shelf,
Yes you're the one to blame.

She gave you life.
She gave you love.
She gave you all,
And this is what she gets?
A broken heart,
With a lot of tears.
No this ain't right,
As it appears,
You treated her wrong
And now it's up to you
To try and fix her heart,
Even if it takes so long...

She cried every day and every night,
Thinking of you
And it was all for nothin',
Thinking you were crying too...
She made a promise
That she don't wanna keep
She'll always remember you...
Even though it seems
Like she hates your guts,
She still smiles when she sees you
Ain't that enough?

-No music-
She gave you life.
She gave you love.

She gave you all,
And this is what she gets?

-Music rushes in-
A broken heart,
With a lot of tears.
No this ain't right,
As it appears,
You treated her wrong
And now it's up to you
To try and fix her heart.
Even if it takes so long...

-No music-
She tried to smile,
When she was down.
She tried to focus
But her frown
Got in the way,
And though it seems
This girl is someone else,
But this girl is me...
