I look at the face
Looking back at me
Standing in front of the mirror
Wondering where I'd be

If I was beautiful
If I was beautiful.

I wish I was beautiful
Like those girls in the magazines
I don't want to be like this anymore
I want to be skinny

I don't like the way
My thighs look so big
And I don't like what they say
They cut me in so deep.

I wish I was beautiful
Like those girls in the magazines
I don't want to look like this anymore
I want to be pretty

I look at the face
Looking back at me
Standing in front of my friend
I'm experiencing where I'd be

If I was beautiful
Because I'm beautiful

I am beautiful.

I am
And you are
And we, together...

We're beautiful... Oh, yeah.
