You told me  
You loved me  
I believed  
Oh, I was so stupid.  
You held me.  
You kissed me.  
I believed  
Oh, I was so stupid.

Well, you can see through my eyes  
That I'm not in love, no, no.  
And I can see right through your lies  
That you're not even saying the truth.  
Cause every time you tell me a lie  
I see nothing, I just see gray skys.  
I know you're lying, baby please confess.  
This is doing nothing, this is a big mess.  
So stop making yourself look so bad.  
I can't take this anymore.  
Baby, you can do whatever you want...  
You can play games with me...  
But now I'm just bored.  
Oh, I'm just bored.

You sat there  
And whispered  
I love you  
Quietly into my ear.  
I called you.  
You called me.  
You said  
Baby, listen closely.  
I listened,  
You sat there...  
You told me  
All of this bullshit.

Well, you can see through my eyes  
That I'm not in love, no, no.  
And I can see right through your lies  
That you're not even saying the truth.  
Cause every time you tell me a lie

I see nothing, I just see gray skys.  
I know you're lying, baby please confess.  
This is doing nothing, this is a mess.  
So stop making yourself look so bad.  
I can't take this anymore.  
Baby, you can do whatever you want...  
You can play games with me...  
But now I'm just bored.  
Oh, I'm just bored.

Maybe I thought I was in love  
But only for a second.  
Now I know it was just a crush  
Wait not even that, I don't even know  
What I felt. I felt so wreckless. So sad.  
Like why am I falling for this stupid boy?  
And how come it seems so beautiful?  
Oh baby, stop playing these games with me.  
Cause I'm so bored, why aren't you?  
Why aren't you?

Well, you can see through my eyes  
That I'm not in love, no, no.  
And I can see right through your lies  
That you're not even saying the truth.  
Cause every time you tell me a lie  
I see nothing, I just see gray skys.  
I know you're lying, baby please confess.  
This is doing nothing, this is a mess.  
So stop making yourself look so bad.  
I can't take this anymore.  
Baby, you can do whatever you want...  
You can play games with me...  
But now I'm just bored.  
Oh, I'm just bored.
