All I can see is evil in your eyes,
Like you've never ever been criticized.
I've been trying to untangle the vines,
But please, if you had a life,
You'd stop talking bout mine!

Cause this life is harder than it looks
Cause not everything is about her looks
And if she's wearing the latest fashion
Or if she's wearing the same outfit.
Baby, don't you have anything better to do?
This is reality, this is truth.
All you're doing is being stupid, and causing pain.
Just get a life, and get a better brain.

All I can see is evil in your eyes,
Like you've never ever been criticized.
I've been trying to untangle the vines,
But please, if you had a life,
You'd stop talking bout mine!

What the hell, baby, I'm not used to this.
Who cares, baby, why you being stupid?

Don't, don't, don't, don't make up lies.
Cause I, I, I, I don't like being criticized.
For who I am, this is really tough
If you can't be yourself,
How will you ever find love?

All I can see is evil in your eyes,
Like you've never ever been criticized.
I've been trying to untangle the vines,
But please, if you had a life,
You'd stop talking bout mine!

All I can see is evil in your eyes,
Like you've never ever been criticized.
I've been trying to untangle the vines,
But please, if you had a life,
You'd stop talking bout mine!
