Every time I see you
I start to shake and I talk so slow
Cause every time I see you
You happen to get more beautiful...

Your eyes they shine
Brighter than the sun,
And I will always appreciate...

Having you in my life.
Having you by my side.
Having you to talk to
When times get tough
And I'm in love
With you, my baby, you.
I'm falling in love with you.
As hard as you want me too.

Baby, every time I speak to you
I start to stutter but I know this is true love.
Cause every time I speak to you
My heart tells me you're sent from up above.

Your eyes they shine
Brighter than the sky
On a very beautiful night...

Having you in my life.
Having you by my side.
Having you to talk to
When times get tough
And I'm in love
With you, my baby, you.
I'm falling in love with you.
As hard as you want me too.

Whoa-oh! Oh, no.
Baby, come a little closer.
Whoa-oh! Oh, no.
Baby, come a little closer.

And I will tell you that...

Having you in my life.
Having you by my side.
Having you to talk to
When times get tough
I'm so thankful for, baby!

And I'm in love... With you.
I'm in love... With you.
I'm in love... With you.
And I'll fall as hard as you want me too...

Oh, I'll fall as hard as you want me too.
