I'll stay up all night...  
Trying to win back your heart.  
I'm sorry, I tried.  
I thought you weren't really in love.

And I want you to know.  
I didn't want to let you go.  
But I also didn't know  
That you were really gonna go  
If I told you the truth about you and I.

The stars tonight,  
They're calling your name.  
And the moon is going insane.  
Cause they all wanna know  
Why you left me.  
And I'll tell them, too  
But they don't believe.  
So please come back to me.  
I know I hurt you, I'm sorry...

Like they all say...  
You don't know what you have  
Until it's gone for good  
Gone from your life.  
And that's what's happenin'.  
I wish you were, my friend.

The stars tonight,  
They're calling your name.  
And the moon is going insane.  
Cause they all wanna know  
Why you left me.  
And I'll tell them, too  
But they don't believe.  
So please come back to me.  
I know I hurt you, I'm sorry...

I won't deny that I hurt you.  
But I don't wanna lie to you.  
Cause I'm never really alright.  
I want you in my life, again.

I just want to apologize...  
For being so selfishly stupid.

-quiet-  
The stars tonight,  
They're calling your name.  
And the moon is going insane...

-music rushes in-  
Cause they all wanna know!  
Why you left me.  
And I'll tell them, too  
But they don't believe.  
So please come back to me.  
I know I hurt you, I'm sorry!

I'm so sorry, my baby, I'm sorry!  
I thought you'd come back to me...  
I'm sorry...
