Walking home from school.  
I got a lot of things to do.  
Homework is just the easy part,  
The hardest is forgetting about you...

But do you realize what you've done to me?  
Will you ever love me like I loved you?  
But now you've walked away,  
Leaving me to suffer.  
I wanted you to stay...  
What else is there to do?  
Except to be obligated to say...  
I'm just not into you.

Walking to school on Thursday,  
It makes me cry, what you say.  
I fall in such a perfect way.  
It's like you're stabbing me with a knife,  
Instead the knife is your words...  
What you say, I wish them to fade away.

Do you realize what you've done to me?  
Will you ever love me like I loved you?  
But now you've walked away,  
Leaving me to suffer.  
I wanted you to stay...  
What else is there to do?  
Except to be obligated to say...  
I'm just not into you.

Friday I got out of bed,  
Later than I should have.  
I got to school at half past ten,  
I ended up in detention...  
And it's all because of you.

Because you don't realize what you've done to me.  
You'll never love me like I loved you.  
All you did was betray me,  
All you did was walk away.  
You didn't want to stay.  
And nothing else was left to do.

Except let the memories fade away...  
And it's all because of you...
