If I said that you're my everything.
Would you come and run after me?
Would you tell me the same thing?
If I run, I want you to run with me.

The rain is falling down
And the clouds are re-uniting.
The trees are swaying from side to side,
And my heart, it's breaking.
Oh, when it's morning over here.
It's goodnight for you over there.
But still, I won't ever stop caring for you.
Cause we're in different places
But we're looking at the same moon.

If I said that you're an inspiration.
Would you believe me?
Would you tell me the same thing?
If I run, I want you to run with me.

The rain is falling down
And the clouds are re-uniting.
The trees are swaying from side to side,
And my heart, it's breaking.
Oh, when it's morning over here.
It's goodnight for you over there.
But still, I won't ever stop caring for you.
Cause we're in different places
But we're looking at the same moon.

I try to let you know every day.
What you mean to me.
And even though you're far away.
I will never be too blind to see.
That you're amazing, and beautiful.
You can catch me when I fall.
Even if you don't know, just yet.
I won't ever give up, up, up.

The rain is falling down
And the clouds are re-uniting.
The trees are swaying from side to side,

And my heart, it's breaking.
Oh, when it's morning over here.
It's goodnight for you over there.
But still, I won't ever stop caring for you.
Cause we're in different places
But we're looking at the same moon.

My tears are falling down.
And me and the sadness re-unite.
My walls are closing in on me.
I'm strong enough to win this fight!
I'm strong enough to win this fight!

I won't ever stop telling the truth.
Yeah, we're in different countries.
But we're looking at the same moon...
