It's like a thunderstorm whenever we fight
It's like somebody suddenly turned out the light
Cause I can't see anything, it's all black and white.
I'm just afraid I'm gonna fall.

It's like a whole new day whenever you cry
Yeah I am afraid I won't have you in my life.
Cause I can't see anything, it's all black and white.
I'm just afraid I'm gonna fall.

[CHORUS]

So I get up, get up and brush my hair.
I tie it, tie it, in a pony-tail.
And I wipe away all of my tears.
And I rip out all of my fears.
Cause I'm not yours. You're not mine.
I hope soon I will realize
That you're not the one I'm supposed to find.
No you're not, you're not one of a kind.

It's like a whole new chapter whenever you speak
It's like a brand new hater, you're making me sick.
Cause I can't see anything, it's just a plain brick.
I'm just afraid I'm gonna fall.

It's like having a picnic on a rainy day
It's like bombing for peace, that's ridiculous.
Cause I can't see anything, it's all a big mess.

[REPEAT CHORUS x1]

It's like hearing somebody speak when it's quiet.
It's like hearing somebody play guitar in silence
It's like wanting to leave but staying put.
Look what you've done to me,
I'd say goodbye if I only could!

Is it just me or are you just weak?
I'm sure you are, if you weren't, you'd leave.
Cause all of your weakness, it's weakening me.
It's like a scene I can't break into.
And I can't even change a thing.

It's like a rainy day on a beautiful day.
It's like what you say, only differently.
I can't be you, I have to be me.

[REPEAT CHORUS x1]
