When I first saw your eyes,
I caught a glimpse of an angel.
So hold me close tonight,
Nothing can stop us from lovin'.
I know this love is real,
This love is right.
They might not think the same,
But who cares what's in their minds.

-Chorus-

So Romeo take me away.
Romeo, you make me feel safe.
Romeo love me like you've never before.
Romeo kiss me, I want more.
My father's making me sick.
He's everything more than strict.
But I knew it when we met
That our love was called Romeo and Juliet.

Romeo, put your hands around my waist.
Romeo can I have something more than a taste.
I love you and I know this love is true.
So why don't you show me what to do?
Romeo, please save me, I'm gonna die.
I hate having to deal with my life.
The only good thing about it is
Having Romeo close, Romeo's kiss.

-Chorus-

So Romeo, pull me in.
Romeo, they're not going to win.
Romeo hold me tight tonight,
Romeo love me, don't be shy.
So Romeo, pull me in!
Romeo, they're not going to win!
Romeo hold me tight tonight!
Romeo love me, don't be shy!

-less music-

I thought I had lost you.
I knew I didn't want to.

I thought I was dying.
Until you came and pulled me away!

-music rushes in-
Romeo you held me tight.
You kissed me several times.
We ran away into the night.
And nothing was left to say.

So Romeo, you pulled me in.
Romeo, you proved that they can't win.
(Cause we've already won.)
Romeo, you're holdin' me tight.
Romeo, you loved me,
But our love was sly.
Romeo, he got down on one knee.
Romeo, he smiled and pulled out a ring.

-less music-
And I knew it when we met
That our love was called Romeo and Juliet.
