All this time I've been admiring you
I'd watch your vids on YouTube...
And I'd still wish to go to a concert
And I'm still waiting for you to come to
Australia...

[Chorus]

Just tell me why, why do I hurt?
When I see you with her?
I know that you two love each other
But I'm not sure I know what love feels like.
I've spent all this time, wishing to be her.
But I know it's not the same.
I wish someday to speak to you in person.
And if you ask, yes I will wait.
Wait all this time, wait all of my life.
To be with somebody like you.
So when I look at that very cute boy,
He'll always remind me of you...

And no he doesn't have to have curly hair
Or big brown eyes.
I just want him to be just like you
And have your smile...
And I know, that you two love each other.
But I don't think she knows.
How truly lucky she really is.
She's with the boy we all know...
To have stolen our hearts.

[Chorus]

Thinking back to the day.
You seemed to take my breath away.
I'm not sure if I should stay.
I don't want to get in the way...
But you... Your smile, your voice, your laugh.
I hope it all comes true for me.
Someday I wanna be able to look at you,
Without having to sit in front of a screen.
I hope you will notice me...

Just tell me why, why do I hurt?
When I see you with her?
I know that you two love each other
But I'm not sure I know what love feels like...
