Hey Nick Jonas
You are so damn perfect
And sometimes I lose control
And even though we haven't met
It's cause of you I don't always
Have to be alone.
Of all the girls who are young and beautiful,
I'll be that one who you won't have to see go.
Hey Nick Jonas,
Boy, you're so damn perfect.
I know that you're my destiny.

I can't help it if you're one in a million
No make that, zillion, pillian or even bagiliian.
So, hurry up and tour australia why don't you,
Can't help it if you make me smile
Mmm, I just wanna feel alive.

Hey Nick Jonas,
These feelings are not worthless
So I have some things to say to you
Whenever I hear your voice
I can't help but to crinkle up my nose.
If you speak, if you sing, the way you laugh
I'm under your control, let's make this last.
Hey Nick Jonas,
Don't make me hold back all of this
I think you and I, our love could last forever.

I can't help it if you're one in a million
No make that, zillion, pillian or even bagiliian.
So, hurry up and tour australia why don't you,
Can't help it if you make me smile
Mmm, I just wanna feel alive.

You're rocking the show
And changing the world
At the same time.
I'm standing alone, now.
Please come on and come out
And pull me close
And we'll kiss, kiss, kiss.

Hey Nick Jonas,
I could give you reasons
Why I should be the one you choose.
All those other girls
I know most of them
So they'll let me have you

I can't help it if you're one in a million
No make that, zillion, pillian or even bagiliian.
So, hurry up and tour australia why don't you,
Can't help it if you make me smile...

I can't help it if you're one in a million
You're the one that I've already dreamed of
Hurry up and tour Australia why don't ya,
Can't help it if it you're makin' this tough
I just wanna hear your laugh.

Just wanna, just wanna, just wanna.
Hear your laugh, hear your laugh.
Look into your eyes and just hear your laugh...
