Well I'm angry about the time we spent.  
And I'm sad about the time I wasted.  
You stole everything true in me  
And you never returned it, no, no you didn't.  
And now I know, that we'll never be the same.  
You took my heart, now you'll take the blame.

[Chorus]

You see, since you've been away.  
I've been running each and every day.  
Looking for that something special.  
That'll wash all my fears away.  
Cause me and you, we used to be together.  
But then you just split up the word.  
You never thought that I'd say this, did you?  
Cause now all you want is To Get Her

Well now I'm confused about the way you acted.  
And now I'm feeling used, did you just want me,  
Or did you want something else?  
Cause when you kissed me, I felt something sparkle.  
I think it was your fake gold necklace, you tool.  
But now I know, that we'll never be the same.  
You took my heart, now you'll take the blame.

[Chorus x1]

Why couldn't you just tell me?  
Why couldn't you be honest?  
How come I'm always so forgiving?  
But now, you see, never.  
Never again will I suffer.  
Like you made me suffer, long ago.  
So I won't forgive, I won't forget.  
About the time that I wasted.  
I won't waste another minute,  
It's time for me to burn all your pictures.

Cause now I want revenge.  
And no, I won't act as if  
You actually treated me well... No, you didn't.  
[Music Rushes In]

And now! I'm gonna just scream.  
And now! I won't let you be  
What I want to call a prince charming.  
Cause I wanted us to be together.  
But then you just split up the word.  
You can go and die,  
Cause now all you want is To Get Her...
