"Too Young"

We have such history
Always, I want you with me.
Cause when you're here,
I'm so free.
I'm myself,
I'm nobody but myself.

But now I have to go,
It's getting way too late.
My mamma's on the phone
I'm sorry babe, I can't stay.
Cause we are just way too young,
To fall in love right now.
And I'm afraid
That if I actually do,
You'd actually go away.

You know I love you
Who said I don't love you.
I believe that we are meant to be
But if that's really true,
It'll happen, it's bound happen
One day.

But now I have to go,
It's getting way too late.
My mamma's on the phone
I'm sorry babe, I can't stay.
Cause we are just way too young,
To fall in love right now.
And I'm afraid
That if I actually do,
You'd actually go away.

I know I will miss you
I'm already missing you
We can still talk, talk as friends.
But right now, I'm not so sure
Where I'm heading!

I'm just way too young
To be thinking of this

I don't want a broken heart
Cause I don't know how to mend.

So now I have to go,
It's getting way too late.
My mamma's on the phone
I'm sorry babe, I can't stay.
Cause we are just way too young,
To fall in love right now.
And I'm afraid
That if I actually do,
You'd actually go away.
