In my swooning deeds
The feelings that I sell are love and bubbles
Even if I count the number of times you shake your hips
I can't be truthful, ai ai
In the sixty-nine that you like so much
The OK sign means "no, stop!"
If this is love, it's not the real thing
If a chestnut-colored flower blooms, bye bye bye bye
You make me love love
I give you my gun gun
We didn't even know
Each other's names

I-I-I-I I just wanna make love
But I-I-I-I I don't wanna fall in love

Everything is all tangled up
Before I know it, that's how I am
When I doze off in your white valley
Some place in my heart is throbbing and shakin'
shakin'
Even if I pretend to be pretty cool
The design of my heart is surreal
No longer continuing to avoid the sweet trap
I fall into something wonderful, ah ah ah
Is this love potion?
You've got love machine gun
Those killing words are dynamite
I wasted tears on your smile

Beauty & Stupid, A-ha-ha (Baby love you, Love you like
an animal)
That's Beauty & Stupid, A-ha-ha, A-ha-ha, A-ha-ha, A-
ha-ha, A-ha-ha

I-I-I-I I just wanna make love
But I-I-I-I I don't wanna fall in love

Even if I line up eight hundred lies
I still she'd my fake skin
If you're angry, then I'm defeated

But if it's serious, no no no no

In this swooning love
These feelings are crazy, and my heart is scattered
Your anger cleared away, if I get carried away with this
contest
Then I'm a very simple and stupid slave
Swimming in these dazzling days
I take them on over and over again
Wearing a flower, a fake rose
Make something wonderful bloom, high high high

You're beauty, queen of love
I'm stupid, slave of love
I kiss on your Knees
Let me do what you want
Let me be your toy

Beauty & Stupid, A-ha-ha (Baby love you, Love you like
an animal)
That's Beauty & Stupid, A-ha-ha (Baby love me yeah! I
wanna be your dog)

That's Beauty & Stupid A-ha-ha (Baby love you, Love
you like an animal)
That's Beauty & Stupid A-ha-ha (Baby love me yeah! I
wanna be your dog)
A-ha-ha (Baby love me yeah! I wanna be your dog)
A-ha-ha (Baby love me yeah! I wanna be your dog)
A-ha-ha (Baby love me yeah! I wanna be your dog)
A-ha-ha (Baby love me yeah! I wanna be your dog)
(Baby love me yeah! I wanna be your dog...)
