Runnin' through, under the sun.
Runnin' with the moonlight shinin'
Ride' on the wind,
Com'n get me babe.

Runnin' through, under the sun.
Runnin' with the moonlight shinin'
Ride' on the wind,
Com'n take me to nightmare.

I wanna make love with moonlight,
Bask me dark and vice.
I find out something new life,
Don't wanna let me go.
Wanna make love with moonlight,
Please take me to the darkness.
Wanna make love with moonshine.
Please take me deep & deep.

Runnin' through, under the sun.
Runnin' with the moonlight shinin'
Ride' on the wind,

Com'n get me babe.

Runnin' through, under the sun.
Runnin' with the moonlight shinin'
Ride' on the wind,
Com'n take me to nightmare.

Runnin' through, under the sun.
Runnin' with the moonlight shinin'
Ride' on the wind,
Com'n get me babe.

No blue-sky, no blue-sky, no blue-sky, blue sky
complex.
No blue-sky, no blue-sky, no blue-sky, blue sky
complex.
