Mitai mono wa yama hodo aru no sa  
Itsuka mita you na kirei na keshiki  
Mekanikaru na kinmirai toshi de  
Tiranozaurusu Gitaa o narasu

Kyodai na shoujo biru no tanima de  
Hoshi no piasu o chibusa ni saseba  
Nejita dari no tokei wa tokete  
Nijuugoji da to Shido vishasu odoru

Guru guru kuroi enbantachi ga  
Itsumo yume o misete kureta  
Atama warusou na gitaa no oto ga  
Tsurete yuku yo to Shaberi tsudzuketa

Mioroshita soko wa  
Mukashi hoshigatteta basho  
Anna ni tooku omoeta kimi wa  
Hanasu kotoba wasurete  
Koko de nani o utau no?
