Hakanaku yume ni saki hokoru
Yumeni yumeru feromon tachi komeru
Kimi no suto ikkuna hadasae mochi o nagashi
Awai tsubo misae monokui
Look around, Look around into Honey Blade.
Let me see, Let me see your Honey Blade.
Show me, Show me your Honey Blade.
Inside out, Inside out, Make it Honey Blade.
Ima, kono bade kimi o kowasu
Kona ganano tenshi ni Deep Kiss
Hiroi atsumenai te Make Love
What you say, What you say, What you say Honey
Blade.
Lick it up, Lick it up, Lick me Honey Blade.
Bite me, Bite me, Bite me Honey Blade.
Makin' love, Make it what? Make it Honey Blade.
Boku no naka de nemuri tsuzuke
Sekai chuuno senbou oabiyoi
Why don't you sleep in my hand baby?
Why don't you dance in my mind baby?
Why don't you smile for me?
Please, Please, Please don't let me go.
Meza meru to kimi wa doko ni moinai
Noko sareta katori atotegami
Ano hi, ano toki, an bashoude, ano mama, kimi o, kimi

Kimi o, kimi o, kimi o kowashi tsuku sebayo katta
Wanna see, Wanna see, Wan' you Honey Blade.
Don't go way, Don't go way my Honey Blade.
I look around, look around you Honey Blade.
Makin' love, Makin' love, Make you Honey Blade.
Ima wa shashin no kimi o mitsumi
Tsumetai gunhitai ni aete

Good-bye sweet my Honey Blade.
Sweet heart my Honey Blade.
Good-bye sweet my Honey Blade.
Sweet sweet my Honey Blade.
Good-bye sweet my Honey Blade.
See you born again
