\*Fly

Like a butterfly

Fly

Like a butterfly\*

Fly

Like a butterfly

Fly

Like a butterfly

(That's nice)

(Why hold it - wonderful)

Felt like a, felt like a

Felt like a-a-a

Felt like a, fly

Like a butterfly

Fly

(But it's so easy)

Like a butterfly

(And you're ready to fly)

\*\*Felt like a-a, felt like a-a fly

Felt like a fly

Like a butterfly\*\*

Felt like a-a, felt like a-a fly

Felt like a fly

Like a butterfly

Felt like a-a, felt like a-a fly

Felt like a fly

Like a butterfly

Felt like a, felt like a

Felt like a-a-a

Felt like a, butter-butter-fly

Felt like a fly

Felt like a-

Felt like a-a, felt like a-a

Felt like a, fly

Like a butterfly

\*~\*Repeat

I felt like a bulldozer

(Why hold it, why hold it)

Trying to catch a butterfly

(Why hold it - wonderful - monster)

Felt like a-a-a-a-a-a

(That's nice)

Felt like a-a-a-a-a-a

Like a butterfly

Like a butterfly

(And you're ready to fly)

\*\*~\*\*Repeat

Felt like a-a, felt like a-a

Like a butterfly

(But it's so easy)

\*\*~\*\*Repeat

Felt like a, felt like a

Felt like a-a-a

Felt like a-a-a

Felt like a-a-a

Fly...

Like a butterfly

Like a butterfly

Fly

Like a butterfly

(That's nice)

Felt like a-a, felt like a-a fly

Like a butterfly
