*Like this, like that
Like this-this, like that
Like this, like that
Like this-this, like that

**Make me feel so good
Make me feel so good, good
Make me feel so good
Make me feel so good, good

*Repeat

Like this, like that
Like this-this, like that
Like this - like that
Like-like that, that

I like it, I like it
I don't like it, not at all
I don't like it, not at all, not at all
I don't like it, not at all
I don't like-like-like
I don't like it
Take it easy

**Repeat

Make me feel so
Make me feel so
Make me feel so good, good
Make me feel so
Make me feel so

Just feel good
Just feel good
Just feel-feel good
Just feel good
Just feel-feel good

*Repeat

Like this, like that
Like this-this, like that
Like this - like that
Like-like-like that

I don't like it, not at all

Make me feel so good
Feel so good, good
Make me feel so
Make me feel so
Make me feel so good, good

*Repeat

Like this, like that
Like this-this, like that
Like that - like this
Like this-this, like that
Like-like that-that

I like it, I like it
