Stop
Playing games
Till I'm done
Exchanging names

*Stop
(Ohh-oh-ohh-oh)
Playing games
(Ohh-oh-ohh-oh)
Till I'm done
(Ohh-oh-ohh-oh)
Exchanging names
(Ohh-oh-ohh-oh)

Stop playing games
Done exchanging names
Stop playing games
Done exchanging names

Stop playing games till I'm done exchanging names
I've been dead, I've been shot, and you know I'm the
reason why
You've got to know it now, girl, I've got to win you back
But I know I'm not the man, the man who thinks is
making more

*Repeat

**Stop playing games
(Ohh-oh-ohh-oh)
Done exchanging names
(Ohh-oh-ohh-oh)
Stop playing games
(Ohh-oh-ohh-oh)
Done exchanging names
(Ohh-oh-ohh-oh)

Stop playing games till I'm done exchanging names

You have taken much too long trying to find what's
going on

Wasting all my precious time, why you make him know
you're mine
You think you're really in the know, waiting for the sight
of gold
I've been waving back the flag, and just doing
movement

*Repeat

**Repeat

Stop playing games till I'm done exchanging names

Stop
Stop
(Ohh-oh-ohh-oh)

Stop playing games
Done exchanging names
Stop playing games
Done exchanging names
Stop

Stop playing games
Done exchanging names
Dead, I've been shot
Know I'm the reason why
Taken much too long
To find what's going on
All my precious time
Make him know you're mine

Stop
Playing games
Till I'm done
Exchanging names
