well I've got lot's of friend that come around  
But nothing beats the kicks that i have found

well I've got lot's of friend that come around  
well I've got lot's of friend that come around ( Ya Ya )

well I've got lot's of friends to steal my pride  
Tell me what would happen if i die  
Tell me what would happen if i die

well I've got lot's of friends that come around  
Ya I've got lot's of friends who bring me down  
I'm comin' down ( comin' down )  
Bring me down whe your around  
I've got lot's of friends who stroke my head  
You could rub it ,suck it , love it , it's my head

well I've got lot's of friends that come around  
Ya I've got lot's of friends who bring me down  
I'm comin' down ( comin' down )  
Bring me down whe your around

Well i don't owe you nothing  
i don't owe you nothing  
i don't owe you nothing  
i don't owe you nothing

You bring me down  
When your around  
Don't come around (ya)
