Spread your eyes
I'll move from this to you
From siren to silence
As storms do glow

Through the benign
I do
Into red embrace
Makes it's moves at dawn

I'll be the one
To take this chance
I'll take it home
I'll be and I will know

Lonely
Bleeding your blood

Break the ice
Move to deja vu
Soaking soulless
Suddenly the end begins
I do
I do see endless
Makes it's moves at dawn

I'll be the one
To take this chance
I'll take it home
I'll be and I will know

Lonely
Bleeding your blood

I'll be this one
I'll take it home
I'll be, and I will know this life
I'll take this chance to bleed your blood
I'll be done soon
Cos then I might know when I lie, where I lie
I'll be this one now
I'll take this chance now

I'll be this one now
And I'll be home
Soon
