[Opio]

[Casual]

Some brand new new shit

Going

[Del]

Yeah this D E L in the house

And Hieroglyphics crew

Down wit' Matt Kelly A Plus Domino

Man we about to kick this little shit right here on my

down time on

the

album

Check it out

MC's is too promiscuous so if you fuss

I'ma be the next to bust and take you on the Exodus

Wreckless

Checklist, ain't nobody next to us

Step to us and get reduced to a speck of dust

Fuck the hellala detectives with they secret societies

We speak wit' variety

So stand back

Before you caught in my sand traps

Hilarious you better vary it, you bury it

Go along with your merriment

Hiero getting ever cent

And we earned it, and burned it

In your brains like brands

And now, everyone demands

Del and his entourage and you can all get squashed

He mosh it up, we mega and vicious

Magnificent

Fuck the whimsical misteral

We stiffed through competitors and regulate

And make you hesistate you better wait

Time to set it straight

You never take a flow for granted

Cause what you ain't peeping

Is equal to what we call "sleeping"

Slumbering and fucking cumbersome  
Keep the tabs on them tongues  
And let the bomb numb your lungs  
Yeah  
Cranialologist  
The zany novelist  
The tactical graphical  
With lyrics for capital  
After you, high speed chase  
To erase  
All existing life forms and drive 'em to free base  
[Coughing]
