I'd like to touch your perfect skin, I'd like to feel you its
from within, It's me
I'd like to keep control but its hard,
She burns me up its like a shooting star and it's me,
Breaking it down, She does it for me, I'm right here and
I 'm so free,
The world I had known, Things I was sworn, 1978 I was
born,
To live is to fight the urges we like, I'm on the in there
I'm one with the child,
Zoo baby wanted all that it seems, Zoo baby rummy so
out of control,
Your time is here, Your time is mine,
I'd drink you up like a perfect wine, It's me,
My thoughts so bad the things I would say,
It's all control just to have her name, and I'm free,
Breaking it down, She does it for me, I'm right here and
I 'm so free,
The world I had known, Things I was sworn, 1978 I was
born,
To live is to fight the urges we like,
I'm on the in there I'm one with the child,
Zoo baby wanted all that it seems, Zoo baby rummy so,
out of control,

Breaking it down, She does it for me, I'm right here and
I 'm so free,
The world I had known, Things I was sworn, 1978 I was
born,
To live is to fight the urges we like,
I'm on the in there I'm one with the child,
Zoo baby wanted all that it seems,
Zoo baby rummy she is my queen, It's out of control,
Zoo baby wanted is all that it seems, Zoo baby rummy
so out of control,
I want it out of control
