(C. Drayton, T. Smith)

hey, you
don't let him do you like this
can't you let him sit down
he's doing you wrong, leave him

no, no, no, no, no more love

[Chorus:]

ain't no water left in this old well
ain't no ringing left in this old bell
ain't no walking, baby, left in these old shoes
and there ain't no love left in my heart for you
ain't no love left in my heart for you
no no no

the fog has lifted, I can see the road
I was blinded by your love
oh I'll neer been wrapped up in you again
'cause the chains of love are broke
well, you took advantage
of this foolish girl in love
and like a sponge
you soaked the bottom good in her
now there is nothing left but emptiness
where tenderness was worse
was worse, oh

[chorus]

you really got me hooked, I must admit
so doggone chained and bound
I thought you would be the only one
but I had things turned around
sometimes that night
you spending some other girl's address
(best friend of mine)
it wasn't long until I see that you lose respect
my patience ran out and so did I
so long, farewell, goodbye

goodbye

[repeat chorus]

no-o more love (can't you see that)
no, no-o more love, no no no
no-o more love, I can't take it baby
no more love, hey yeah yeah
(I'm gonna leave him, I'm gonna leave me)
(I'm gonna leave him, I'm gonna leave him)
I, I, I, I, I, I, I, I, I, I
I, I can't take it, baby
I can't take it, baby, baby
hey (don't need your love)
let me tell you that you used me
(don't want your love)
abused me (can't you see that)
hey baby, hey baby
and now you're gonna losing me
I, I, I can't take it
I can't take it, I can't take it
no, no, no, no, no more love
no more, no more, no more, no more
