(Mel Bolton/Gwen Gordy Fuqua)

Baby, lookin' back on all I out you through  
I was wrong to let you go for someone new  
And if you want me, you'll give it one more try  
I let you go, but now I want you by my side

Come on, get it (Well)  
Come on (I, I, I), get it (I got it)  
Come on, get it, come on, get it  
nowwwwwwwwwwwww!  
Mm, mm, mm, mm, mmmm, mm  
(get it, get it)  
Come on, baby  
Don't you want it?  
Come on now while it's hot  
Ohhhhhhhh

[Get it]  
I sent you once too far away from me, my dear  
[Come get it]  
I left you sighin', dyin', cryin' bitter tears  
[Get it]  
But now I look around and I was in the twilight zone  
[Come get it]  
And I'm not afraid to tell my baby to come on home  
Come on

(come on)  
(get it) I, I, I  
(come on) ohhh  
(get it) well  
Come on, get it, come on, get it  
Nowwwwwwwwwwwww!

Come on now [Ohh!]  
Come and get it, come and get it, don't cha?  
Don't cha get it, will you get it? What you say? Will you,

Ohhhh, don't you know what you've been missin'?  
[Come and get it, come and get it]

[Come and get it, come and get it]  
Hey, come on, oooh come on
