(J. Ingram, M. Rose)

[Chorus:]

could this be love  
this feeling I feel Inside, baby  
could this be love  
it's taking my life so high  
could this be love

something coming over me  
that I can't explain  
I get a funny feeling, woh oh  
when you call my name, oh oh  
and then I think about you  
I want you here with me  
just to hold and squeeze you, baby  
and kiss you tenderly

[Chorus]

ooo, at night I see visions  
of you in my head  
I'll reach out to touch you, baby  
oh, but you're not there  
you're my every flower  
I breathe you in the air  
you're my every existence  
you're here, there, everywhere

[repeat chorus twice]

(what's the matter with me)  
what's the matter with me  
(I'm spinning around)  
I'm spinning around  
(I'm all tripped out)  
I'm all tripped out, baby  
(over you) over you

[repeat chorus twice (ad-lib) to fade]
