(Barry Mann/Robbie Buchanan)

Oo-oooh oo-oooh oo-oooh
Oo-oooh oo-oooh oo-oooh
Oo-oooh oo-oooh oo-oooh

You tell me you love me
But lately I've been feeling something's missing
I don't wanna settle anymore
You sit back feeling satisfaction
Thinking if you supply the action
You'll have me like you had me before
But honey, I want more

I want devotion
I don't think I'm asking much
When I'm asking for devotion
If you want my trust,
Then you got to show me that you care
And when I need you, baby
I got to know you'll be there

Oo-oooh oo-oooh oo-oooh
Oo-oooh oo-oooh oo-oooh

When we go out dancing
I can feel your eyes start to wander
Checking out all the ladies on the floor
Now baby, I don't mind you staring
But honey, I'm not into sharing
When it comes to fooling around
That's when I stand my ground

I want devotion
I don't think I'm asking much
When I'm asking for devotion
There's gotta be some trust
If we ever gonna make it through
And when I know for sure (got your devotion)
I'll give it back and more (all my devotion)
You'll have all of me, I'll give it all to you

(got your devotion)
(all my devotion)

Every day (every minute)
All through my life
(every second that's in it)
Besides giving all my emotion
Honey, you'll have all of my devotion
I don't think I'm asking much
When I ask for your devotion
If you want my trust,
You got to give me your devotion
Honey, it's a must
Need your devotion

I'll give it all to you (all my devotion)
Love is a two way street (with this devotion)
You'll have all of me
And my devotion
I don't think I'm asking much
When I ask for your devotion (need it)
There's gotta be some trust
If we ever gonna make it through
Baby, need your devotion (got to have it)
I don't think I'm asking much (I want devotion)
No, don't stop the feeling, baby
Give me, give me, give me your devotion
(need it)
I don't think I'm asking much
I don't think I'm asking much (I want devotion)
Ohh (got to have it, need it)
Oh, it's your devotion
