(William Bickelhaupt)

I didn't wanna tell ya I love you  
I was so afraid you turned me down  
I kept my feelings all inside me  
But now I gotcha here beside me  
I've got to let (let) you know

I didn't wanna tell ya I love you  
I thought maybe I should keep (keep) it cool  
I can't continue this evasion (no more)  
Perhaps a little sweet persuasion  
Well, let me tell you

Hey, boy, (you and I) you and I could be joy  
Let me be your lady, I want you for my man  
(I want you, need you for my man)  
Oo-oo-oooh wee, boy, (tell me) am I just a new toy?  
What'chu gonna do, boy, if it's so hard to understand?  
(Didn't wanna tell ya, didn't wanna tell ya)  
Uh-uh! Ohh!

I didn't wanna tell ya, but now you know  
I think I know for sure tonight's (tonight's) the night  
I got ya here, now let me hold you (real close)  
You let me know you'd glad I told you  
Come let the feeling go-o-o-o-o...

I didn't wanna tell ya, uh-uh  
Ahh, didn't... wanna... tell ya... no  
Yea... [laughing]

Aahhh, hey, boy, (you and I) you and I could be joy  
Let me be your lady, I want you for my man  
(I want you, need you for my man)  
Oo-oo-oooh wee, boy, (tell me) am I just a new toy?  
What'chu gonna do, boy, if it's so hard to understand?  
(Didn't wanna tell ya, didn't wanna tell ya, whoo!)

Ohh... I didn't wanna tell ya  
No, I.. I didn't wanna tell ya, I didn't wanna tell ya

I didn't wanna tell ya  
I didn't wanna tell ya  
I didn't wanna

[interlude]

Ohh, I didn't wanna tell ya  
I didn't wanna tell ya  
[fade]
