(Freddie Perren/Christina Yarian)

I'm like the honeycomb is made for honey
like the empty pockets made for money
I was made for you and you for me, babe
made to do it comes so naturally
yeah, yeah, yeah

[bridge:]
why not together, love?
we fit just like a glove
can you dig it, baby?(can you dig it?)
our fire on top of fire
we'll take each other higher
and higher, higher, higher, yeah

[Chorus:]
don't cha love it (love it, don't, don't cha love it)
(don't cha love it, love it, don't, don't cha love it)
oh, don't cha love it (love it, don't, don't cha love it)
(don't cha love it)

I'm the beans and rice and you're the gravy
add a little spice and make it tasty
I'm the loving girl, and you're my baby
don't you love the way we do it, baby? ohh

[bridge]

[chorus x2]

[repeat bridge]

don't cha love it

[Chorus B:]
don't cha love it, love it, don't don't cha love it
don't cha, ooh, ahh, oh baby
[x4]

ohhh, don't cha love it

if you want, I got it
if you want, I got it (got it)
if you want, I got it (oh, got it)
if you want, I got it (oh, got it)
if you want, I got it

[BREAK]

[Repeat Chorus B 'til fade]
