(C. Creath/P. Kimble)

I'm so excited, I just can't hide it, feel my heartbeat
Heartbeat, heartbeat, heartbeat
This must be heaven
this love I'm feeling in my heartbeat
Heartbeat, heartbeat, ooooh

Whatever it is that you got,
I feel like I'm losing control
My heart starts to thumping,
and my blood starts to pumping
It's getting a hold of my soul
Oooh, I heard you got is so real (ooh, so real)
Each beat of my heart that I feel (Ohh, I feel), ow!
I tried to hold back, but still

Listen
Thump, thump, thump, thump, thump-lump, thump
Thump, thump, thump, thump, thump-lump, thump
Just listen
Thump, thump, thump, thump, thump-lump, thump
Thump, thump, thump, thump, thump-lump, thump
Ooooooh

Come, baby listen (listen)
and feel the rhythm of my heartbeat
Heartbeat, heartbeat, (Ooh) heartbeat
Your sweet love potion has put the motion of my
heartbeat
Heartbeat, heartbeat, ooh

No one can do what you do
quite as well as you're doing it, darlin', tonight
My pulse starts skipping, and my head starts tripping
When we squeeze each other this tight
Oooh, don't ever, ever come down (Ain't gettin' down)
As long as your love is around (Love's around)
Don't lift me off of this cloud, ooooh

Listen

Thump, thump, thump, thump, thump-lump, thump
Thump, thump, thump, thump, thump-lump, thump
Just listen
Thump, thump, thump, thump, thump-lump, thump
Thump, thump, thump, thump, thump-lump, thump
Ahh-ahh-ahh-ahh-ahh-ahh-ahh, ooh, ooh

I'm so excited
I just can't hide it
This love I feel, can it really be real?
Ooh, oohh...
thump, thump, thump, thump, thump
Is this beat of love really feels? Whoa

[Interlude]

Listen to the rhythm of your heartbeat
Listen to, just listening your heartbeat

Come on, baby, listen (thump-lump, thump)
Listen to the rhythm (Thump-lump, thump)
Thump, thump, thump, thump, thump-lump, thump
Thump, thump, thump, thump, thump-lump, thump
Listen to the rhythm (Thump-lump, thump)
Thump, thump, thump, thump, thump-lump, thump
Come on baby, listen (Thump-lump, thump)
Listen to the rhythm (Listen to my heartbeat)
Listen to the rhythm (Listen to my heartbeat)
Come on baby, listen (Thump-lump, thump)
Come on, baby, listen (Thump-lump, thump)
Come on, baby, listen (Thump-lump, thump)
Listen to the rhythm (the rhythm of my heartbeat)
Listen to the rhythm (the rhythm of my heartbeat)
Listen to the rhythm (the rhythm of my heartbeat)
Come on, baby (the rhythm of my heartbeat)
Come on, baby (the rhythm of my heart---)
Oo-ooh!

I'm so excited, I just can't hide it,
Feel my heartbeat
Heartbeat, heartbeat, oohh
This must be heaven
this love I'm feeling in my heartbeat
Heartbeat, heartbeat, oooooh
You know I never
knew that forever was a heartbeat
Heartbeat, heartbeat, oohh
Your sweet love potion
has put the motion of my heartbeat
Heartbeat
my heartbeat, heartbeat

My heartbeat, heartbeat, my heartbeat, heartbeat
My heartbeat, heartbeat, my heartbeat, heartbeat
