(Kim Field)

Do-do-do-do-do, do, do

Doo, do

Doo, do

Do-do-do-do-do, do, do

Doo, do

Doo, do

When will I dance with you again?

What kind of an invitation should I send?

You're the one who makes the music blends itself

To the magic of love

When will I talk to you again?

You know that we are more than just friends now

You showed me your love, it never seems to end

And all that I'm waiting for is the time that I can dance
with you again

I just wanna dance with you, ooh, ooh

Ooh, ooh, you know I do

I just wanna dance with you, ooh, ooh

Ooh, ooh

You know I need your loving [Need your love]

You got to see your sun in your face [Your face]

I wanna hold you in my arms again, ohhh, oh

I just wanna dance with you, ooh, ooh

Ooh, ooh, no one else will do

I just wanna dance with you, only you

Only you

When will I dance with you again?

What kind of an invitation should I send?

You're the one who makes the music blends itself

And all that I'm waiting for is the time that I can dance
with you again

I just wanna dance with you, ooh, ooh
Ooh, ooh, La-di-ahhh
I just wanna dance with you
Only you
Only you and no one else will do
I just wanna dance with you, only you
Only you, oh oh oh oh
I just, I just, I just wanna dance with you
Ooh ooh
Ooh ooh
