(Terry Lupton, Charles Creath)
everytime I see you, boy
the passion builds inside
you'll bring the fever out in me
and everytime you please me, ooh
the pleasure is all mine
no one else in the world can satisfy this girl
(baby don't you know) you're the love of my life
(making it right) making it right
the love of my life is all I need, oh
(baby don't you know) you're the love of my life
don't you think twice about it
no one else in the world can satisfy this girl
people always ask me
how our love can grow so wild
I guess they've never been in love
loving you is easier than wearing a smile
no one else in the world can satisfy this girl
(baby don't you know) you're the love of my life
ooh yeah, making it right
the love of my life is all I need, oh
(baby don't you know) you're the love of my life
(making it right) don't you think twice about it
no one else in the world can satisfy this girl
love (love), love (love), love (love), love (love)
[x3]
love... (love...)
sha na na na na na na
sha na na na na na na na
sha na na na na na na
sha na na na na na
sha na na na na na na
na na na na na na na
ohh yeah
[chorus]
[trumpet solo]
no one else in the world can satisfy this girl
[repeat chorus to fade]
