# High Inergy

# "Lovin' Fever"

(Pam Sawyer/Marilyn McLeod)

202 degrees, it's where your love takes me
202 degrees is the heat you make me feel
it's boiling point, the heat is strong
You turn it on with...

Fever, fever everytime I see ya
I get that lovin' fever, fever
Fever, oooh fever (Ahh!), fever
I want that lovin', need that lovin' fever

When you walked into the room, the temperature
resumes
I blush like a fool as I'm tryin' to keep my cool
Well, I feel so out of place
When pouring heat runs down my face from...

Fever, fever everytime I see ya
I get that lovin' fever, fever
Fever, oooh fever (Ahh!), fever
I want that lovin' fever, fever

I'm flying so high on a fever-ish cloud
Don't feel no pain at all (No pain at all)
The heat of the sun next to you can't compare to me
It would only be lukewarm (Ahh, ahh, ahh, fever)
Ooooh, ooh, yea-eah (fever)
Everytime (see ya), everytime I see ya (Fever)
I get that lovin' fever

It's boiling point, the heat is strong
You turn me on-- (You turn me on)
With fever, ooooh fever, oh fever
Everytime I, (fever) everytime I see ya
Fever, oooh fever, aahhh fever (I get that lovin' fever)
Ooooh (Fever)

Hy, it's boiling point, the heat is strong
Baby, you really turn me on with fever everytime I see
ya

Oooh, oooh, yeah (Fever)
Oooh, oooh, yeah (I get that lovin' fever)
Oh, I get so hot when you passed by from fever (Ooh!)
Oooh (I want that lovin' everytime I see ya)
Oooh yea, yea, yea, yea, ohhhh, ohh, ohhhhh

Feel the heat, feel the heat
A little heat coming to me, it's fever, oh, oh, fever
Your love is all it takes, don't stop before the fever
breaks
It's fever (I want that lovin'), fever
Don't you feel the fever, don't you feel the fever? Hey!
Come on, come on, come on, come on, come on
Feel the fever, oooh
[fade]
