Mm, mm, mmmm, mmm...

Let me take you to the place where your mind is free
And the birds in the trees are singing their sweet
melody
And where the rainbow colors shine in the air
And the sun, smile and laughter is spreadin' out
everywhere
And let me take you there to a place called

Peaceland, Joyland, Loveland
Ooooh, oooh, ooooh
Peaceland, Joyland, Loveland
Mmm, mmm...

And in this place of a realization
You'll free your mind from all frustrations went
No more worries, pain or sorrow
They were all (they were all) be forgotten (be forgotten)
In this land (in this land), this beautiful land (don't you
know now)

It's Peaceland... yea, yeah
Pea-ea-eaceland
It's a Joyland, it's a Loveland, yeahhh, yeah, yeah
Ooh-oooh-ooooooh
Ooh-oooh-ooooooh

A land of harmony (Yeah) where your body and soul
are free
Rivers flowing peacefully, spreading love for you and
me
Fee-eel the realization of the nice creation (yea, yea)
And with love's inspiration fills every land and nation
Reach out while all you can now, right here in your
hands, hey-ey
You can find this land now, well if you just understand
now
Take the time, relax your mind, yeah and you will find

That pea-ea-eaceland, yea, where love's right inside

Peaceland, Joyland, Loveland

Oooh, oooh, ooooh

Peaceland, Joyland, Loveland
