(Gary Goetzman, Mike Piccirillo)

you can do anything
anything at all
baby, it's alright
take it anytime
anytime at all
it can last all night

everything I feel for you
I know that you feel it, too
so baby, rock my heart
rock my heart tonight
rock my heart
rock my heart toni-i-i-i-ight
I know you gonna rock me right

I will go any place
any place you want
long as you are there
'cause you're the only one
the only one I want
taking me somewhere

everything I feel for you
I know that you feel it, too
so baby, rock my heart
rock my heart tonight
rock my heart
rock my heart toni-i-i-i-ight
say you gonna rock me right

say you gonna rock me right
say you gonna rock me right

you can do anything
anything you want
baby, it's alright (alright, alright)
take it anytime
anytime you want
it can last all night

everything I feel for you
I know that you feel it, too
so baby, rock my heart
rock my heart tonight
rock my heart
rock my heart tonight
say you gonna get off of me right

rock my heart
rock my heart tonight
rock my heart
rock my heart toni-i-i-ight
say you gonna rock me right

rock my heart
rock my heart tonight
rock my heart
