Skate  
Skate  
Skate  
Skate

Don't ever worry if your problems get you down  
You can get around and erase away your frown  
Just pop your skates on, put on a song  
And make sure you bring your music box along

When your problems get you down,  
Erase away your frown  
Skate, yeah  
Let your body glide  
Put on your wheels and ride  
Skate, yeah

Skate to the rhythm, skate  
To the rhythm  
Skate to the rhythm, skate  
To the rhythm

Movin' around, you're wearin' a smile  
You can catch the eye with your skating style  
Grab your lover, hold hands  
Skate on down to loveland

When your problems get you down,  
Erase away your frown  
Skate, yeah  
Let your body glide  
Get on your wheels and ride  
Skate  
Riiiiide

Twirl, swirl  
Roll with soul  
Whoo! Get down, get down. Yee-ah!  
Twirl, swirl

Roll with soul  
Whoo!

Let's skate through the winter  
Let's skate to the rhythm  
Let's skate to the disco  
Let's skate to the rhythm  
Let's skate in the fall, y'all  
Come on, let's skate to the rhythm  
Let's skate on the skateboard  
Come on, let's skate to the rhythm  
Let's skate on the ice is so nice  
Let's skate to the rhythm  
Let's skate anywhere you wanna go  
Let's skate

Anywhere you wanna go  
Skate  
Just let your body roll  
Skate  
Skate  
To the rhythm  
Don't you worry 'bout the view  
Skate  
This stuff is really groove  
Skate  
Skate

Move it up and move it down  
Shake your body all around  
Skate  
To the rhythm  
So baby, skate to the rhythm  
Skate  
To the rhythm (ah ah ah)

Oh baby skate to the rhythm  
Through the winter (just let your body roll)  
(Skate) let's skate to the rhythm  
Let's skate to the rhythm  
To the disco (stuff is really groove)  
(Skate) let's skate to the rhythm  
Skate to the rhythm  
Ah, ah, ah ah ah ah, skate  
Shake it, shake it, shake it, shake it  
Ohhh, don't you wanna skate?  
Skate to the rhythm (shake your body all around)  
Ah, ah, ah (skate), let's skate
